6 Core Pillars of Sustainability

Our goals related to each of our sustainability pillars are included with the discussion of each pillar on the following pages.

Our Brands

“**DELIGHT CONSUMERS
WITH OUR BRANDS &
CONTRIBUTE TOWARD
A MORE SUSTAINABLE
WORLD**”

Our goal is to delight our customers and consumers with high-quality, affordable products.

We continually challenge ourselves to create and develop products with new and distinctive features that meet ever-changing consumer needs and preferences. From the earliest design stages to the end of consumer use, we explore ways to reduce the environmental impacts of our product formulation and packaging. We have established sustainability goals related to our packaging and ingredients, and will continue to provide updates on our progress in future reports.

 Integrate sustainability into our brands and marketing efforts.

 Utilize our brands to drive awareness and engagement around sustainability.
